Contact: D. Traub, 781-830-4800 x 217

Massachusetts State Police detectives from District Attorney William R. Keating's Drug Task Force and agents from Immigration and Customs Enforcement, working with officers from Canton, MBTA and Quincy Police, seized a huge volume of marijuana and more than a third of a million dollars March 3, 2009.

"This comes as the result of a two month investigation," District Attorney Keating said. "Clearly, the quantity of cash seized and the large volume of drugs speaks to how large this alleged trafficking operation was."

The seizures were from locations on Mullen Ave. in Quincy and York Street in Canton.

"State Police officers attached to the Norfolk District Attorney's Office worked with agents from ICE and Quincy, MBTA and Canton police during the investigation and to seize these drugs and cash from multiple locations," District Attorney Keating said. "This is another occasion of successful cooperation between federal, state and local law enforcement. The investigation is continuing."

ICE Special Agent in Charge, Bruce M. Foucart concurred, saying: "This is a great example of federal, state and local law enforcement agencies utilizing combined resources to effectively dismantle drug trafficking organizations in the Massachusetts area."
